**Please call 780-837-1049 with ANY information**

Last known location is six miles south of Falher (Horseshoe, Guy area), Range Road 770 and 214. Wearing a Harley Davidson collar with Benjamin written on it.

I have yellow eyes and yellow and white fluffy fur. Tattoo's in both ears.

I am a house dog and very friendly.

Please have a good look at this dog. We know he was picked up on our back road on Thursday, January 20 early afternoon. We believe that he may have been sold to persons that are unaware he was stolen and so dearly loved and missed.
